AHA CPR for Town Employees!

Since 2012, the Town of Stratford has been a "HeartSafe Community". In order to do so, Town employees need to maintain certification in CPR and the use of Automated External Defibrillators (AEDs).

During the month of April, Stratford EMS will be offering American Heart Association, Heartsaver, Adult & Child CPR/AED & First Aid training **free of charge to town employees**. This certification will be good for 2 years. Your participation will not only provide you and your fellow department staff with valuable, life-saving skills, but it will also help Stratford maintain its status as a HeartSafe Community!

Any town employee interested in obtaining certification should contact Nancy at EMS Headquarters (203) 385-4060 to sign up for one of the sessions below.
